

**FLG Partners is the leading CFO consulting and board advisory firm in the Bay Area.**

Since 2004, FLG has become the “best-in-class”, and the most trusted name in CFO leadership for private and public companies - from startups, to high growth to multibillion-dollar enterprises. We offer turnkey solutions for boards and CEOs from part-time and interim CFO leadership to W2 fulltime partners as well as board-level advisory support, CFO mentoring and boot camps. Our clients come to us when they need immediate, short-term solutions as well as longer-term support, from ramping for growth and preparing for flex points, to executing complex financial transactions and managing through acquisitions and restructurings. Our partners at FLG have managed the full continuum of business lifecycles and lifestyles, from emerging companies bootstrapping their operations and watching their cash burn, to Series C enterprises preparing to go public, from private-equity funded exits, to SEC-reporting public companies. We are masters at fundraising.

**WHY WE ARE UNIQUE**

FLG consults exclusively at the CFO/COO/CEO/Board levels and we are C-suite level - period. The typical FLG partner has been a CFO for 20+ years and has 30+ years of post-graduate business experience. The firm’s collective experience includes 600+ years at the CFO level with global reach to 45 countries.

**WE DELIVER SUPERIOR VALUE TO OUR CLIENTS**

- Our partners are more experienced with complex issues and transactions.
- We insist on quality advice and performance – *period*.
- We’re from Silicon Valley so we place a premium on staying innovative and agile.
- We are highly collaborative, and client focused.
- While we’re CEO-centric, we are board-accountable.

With over 450 client engagements to-date, FLG’s expertise extends across diverse industry sectors including technology, life sciences, consumer products, manufacturing, services and non-profits.

- Over \$13B in equity raised in over 300 transactions
- Over \$12B in debt raised in over 200 transactions
