

WITH OVER 500 client engagements to-date, FLG's expertise extends across diverse industry sectors including technology, life sciences, consumer products, manufacturing, services and non-profits.

-  Over **350** M&A transactions
-  Over **200** IPOs and secondary offerings
-  Over **100** divestiture transactions
-  Over **\$18B** equity raised in 350+ transactions
-  Over **\$12B** debt raised in 200+ transactions
-  Over **38** corporate board positions held

SINCE 2004, FLG HAS PROVIDED "BEST-IN-CLASS" financial consulting and board advisory support to private and public companies - from startups, to high growth to multibillion-dollar enterprises. We offer bespoke solutions for boards and CEOs from fractional, part-time and interim CFO leadership to occasionally, W2 full-time partners, as well as board-level advisory support, C-Suite mentoring and coaching, and skills workshops. Our clients come to us when they need immediate, short-term solutions as well as longer-term support, from ramping for growth and preparing for value inflection points, to executing complex financial transactions and managing through IPOs, acquisitions and restructurings. Our partners at FLG have managed the full continuum of business life cycles, from emerging companies to late-stage private companies preparing to go public, from private-equity funded exits and other M&A, to global public companies with complex issues and operations. And, we are masters at fundraising - equity or debt.
